Total: 24.0 Credits

Earning a Merit Diploma

In order to receive the **Alabama Diploma with Merit**, a student must meet the minimum requirements for the Alabama High School Diploma. In addition, students must earn a total of **26 credits** *and*:

earn one math credit in a math course **beyond** Algebra II *with* Trigonometry

successfully complete two sequential Foreign Language courses

successfully complete two of four core credits as evidenced by passing with an average of “C” or higher each semester in advanced or Pre-AP coursework in grade 10.

successfully earn

three Advanced Placement credits as evidenced by an average of “C” or higher each **semester, or**

three International Baccalaureate credits as evidenced by an average of “C” or higher each **semester, or**

two AP *and* one Dual Enrollment credits **or** one AP/IB and two Dual Enrollment (for a **total of 3**) as evidenced by an average of “C” or higher each **semester** ...must complete a minimum of one AP/IB course.

Alabama High School Diploma with Career & Technical Endorsement

******In order to receive the **Alabama Diploma with Career and Technical Endorsement**, a student must meet the minimum requirements for the Alabama High School Diploma. In addition, students must complete three **sequential** Career and Technical Courses in the same pathway *and* earn a credential in that area.

Huffman's Career & Technical Education Pathways

Huffman students are strongly encouraged to choose one of the six CTE Pathways. Beginning in the ninth grade, students are advised of the benefits of earning a credential in their chosen pathway.

CTE Pathways

1. Cosmetology – Students can earn their Cosmetology License
2. Architecture & Construction – Students learn CAD skills and the basics of building construction.
3. Business Management – Students earn Microsoft Office Certificates that are recognized nationally
4. Health Science – Students earn a Certified Nursing Assistance Certificate
5. Hospitality & Tourism – Students learn Culinary skills
6. Fire Science – Students can become Fire Fighters.

Criteria to Earn a CTE Credential

- Students must take three courses in the same pathway to be eligible to sit for the credentialed test.
- The credential earned is a national credential
