High school students will start school at 8:30am and end at 3:40pm. Each student will attend seven (7) classes, lunch and advisory. Each student will have the opportunity to earn at least 7 credits. Schools have the option of using the zero period and 9th period for students participating in special programs, such as Early College, Dual Enrollment, IB, Career Technical, Fire Science, etc. Students participating in these programs will be identified and notified by their counselor of their alternative bell schedules.
