Greetings Parents,

The City of Birmingham Mayor's Office Division of Youth Services (DYS) is partnering with Huffman Middle School to provide school mentoring sessions to help students get to the next level of their professional, personal, and character development.

Elevate YOUth mentoring sessions focus on topics relevant to the issues youth face today. The program’s virtual curriculum focuses on topics to help develop 21st-century skills including; collaboration, critical thinking, information-gathering and communication. Mentoring activities are being offered during normal school hours during the students’ physical education classes. Students may access the mentoring session between 1:50 p.m. - 2:20 p.m. by logging onto the Zoom link that will be provided.

DYS is excited to have your students join this fun and interactive program. Sessions will begin October 8, 2020.
