August 7, 2023

Greetings Stakeholders,

Welcome to the 2023-2024 school year. We are glad you are joining us as we embark on an exciting year of teaching and learning at Hudson K-8 School. This year we will renew our commitment to excellence as we seek to provide world-class instruction to all students. We will continue to provide students with opportunities to address academic deficiencies while building literacy and numeracy skills. In addition, we will continue to implement initiatives to promote engagement for students and teachers. Moreover, we would like to improve attendance by recognizing students committed to attending school regularly. Regularly attending school helps students acquire the knowledge to propel them to the next level.

We look forward to collaborating with you to impact student performance in every content area. As part of our major initiative, I ask that you guide and support your child's learning by ensuring that they:

- Participate in active learning daily.
- Complete all assignments in a timely manner.
- Follow the BCS Student Code of Conduct.
- Become familiar with our school's website at <https://www.bhamcityschools.org/Domain/28>, which will provide an excellent way to stay connected with upcoming school events.

I am excited about all this new school year offers and look forward to working collectively as a family to ensure that students have the best educational experience possible. Additionally, we are committed to creating an engaging learning environment that will promote student success. Thank you for your continued support as we work together, inspiring our children to strive for excellence.

Sincerely,

Fred H. Stewart III
Principal
