All parents are encouraged to use the STI Information Now portal to view their child's grades and attendance. In order to login, stop by the office between the hours of 8:30 and 2:30 and ask for a login number. You will need to show your ID and sign for the information sheet. Once you have received your information sheet, you can sign in to your account by clicking on the "For Parents" tab on the Phillips' website. You may wish to view the tutorial below to learn more about the portal.
