Children’s of Alabama’s Adolescent Health Center and Sports Medicine Clinic will be providing Sports Pre-Participation Physicals off site for the 2021-2022 academic year. The Coronavirus/COVID19 pandemic will not allow us to provide these annual exams in-house on the Children’s of Alabama campus.

The 2021-2022 Sports Pre-Participation Physicals will take place on the campuses of the Birmingham City Schools’ feeder High Schools. Due to the Coronavirus/COVID19 pandemic, safety precautions will be implemented to maintain the safety of the student-athletes, parents, school staff, and medical staff. The following safety procedures will be implemented:

1. Student-athletes’ temperatures will be taken BEFORE they can enter the facilities. If any temperature is 100.4 degrees or higher, the student will leave the campus WITH his/her parent.
2. Each student-athlete will receive a disposable face mask that they will be required to wear throughout the physical examination, only removing it when required for the examination.
3. Social distancing will be required at each station of the examination.
4. At the conclusion of the examination each student-athlete will exit the facilities and leave campus immediately.

Coaches and chaperones will be responsible for their athlete’s behavior during their visit and will be dependent upon heavily to assist with maintaining social distancing.

Student-athletes are asked to wear shorts and t-shirts to facilitate an easier physical examination. Parents are required to complete the front portion of the physical form as well as sign it. **Unsigned physical form will not receive an examination.** Physical forms that are signed by student-athletes or coaches will not be accepted. Please be aware that student-athletes must be present at the time of their scheduled appointment. The schedule is designed to assist in proper social distancing. We look forward to providing sports pre-participation physicals to the student-athletes of the Birmingham City Schools in the safest and most efficient way possible.
