

**Dr. Mark Sullivan**  
Superintendent

Sept. 22, 2022

**Jason Meadows**  
President  
District 9

Good Afternoon BCS Families,

**Mary Boehm**  
Vice President  
District 3

This school year, Birmingham City Schools will offer several opportunities for enrichment, remediation and exploration during three Intersession weeks for the 2022-2023 school year. These intensive weeks are designed to provide extra attention to scholars who need strengthening in key academic subjects and enrichment for those who want to explore additional learning. Session one of Intersession will be Oct. 3-7, 2022.

**Sherman Collins Jr.**  
District 1

This is a critical point of focus for our academic year because we have been engaged in intensive instructional cycles to close gaps in achievement caused by pandemic learning loss. I appreciate your diligence in working with your scholar and supporting Birmingham City Schools. This Intersession period will play a key role in helping our students recover learning loss and can benefit scholars who welcome challenging learning opportunities.

**Neonta Williams**  
District 2

**Derrick Billups**  
District 4

Please look at the digital program booklet and register your scholar to participate by Friday, Sept. 30, 2022.

**James A. Sullivan**  
District 5

We look forward to an exciting and rewarding period of academic growth!

**Leticia Watkins**  
District 6

Sincerely,

**Walter Wilson**  
District 7

Dr. Mark A. Sullivan,  
Superintendent

**Sonja Q. Smith**  
District 8
