Welcome!

I am so excited for you to be a part of my class! My students are not ordinary human beings. They are hard workers, trustworthy, reliable, and determined. It is a privilege for me to be your teacher, and I am thankful for you! Before we talk about rules, I want to talk about **4** goals that I have for ALL my classes:

1. **Believe in yourselves!**
2. **CANNOT is not allowed.**
3. **See the beauty**
4. **Learn everyday**

These goals may seem silly, but these goals will help you throughout life. They will change your mindset. It will provoke positivity, happiness, and perseverance when you feel things are getting tough, or you believe you cannot do something.

I believe in you whole-heartedly, and I believe that learning should be fun and intriguing.
