

Frayer Model

Definition in your own words	Part of Speech
Examples	Non examples

Word

The diagram is a square divided into four quadrants by a horizontal and a vertical line. In the center, where the lines intersect, is a blue-outlined oval containing the word "Word". The top-left quadrant is labeled "Definition in your own words", the top-right is "Part of Speech", the bottom-left is "Examples", and the bottom-right is "Non examples".
