EXCELLENT ATTENDANCE
September is Attendance Month! Did you know that missing just one or two days every few weeks can make it harder for children to develop the necessary skills needed to be successful in the next grade? Parents, being in school every day means that your child won’t miss out on learning. Try to schedule appointments and family trips outside of school hours. Together we can establish a solid foundation for lifelong learning!

S.H. K8 Celebrates...
Our Custodial Staff!

Dear Parents & Amazing Students of S.H. K-8...
Let's take a moment to recognize our awesome custodial staff! Our custodians are the quiet heroes of our school. They are always the first to arrive each day. They clean up messes that no one else dares to touch and they befriend everyone that passes by! We are truly blessed to have Mr. Golden, Mr. Averhart, & Mr. Summerville as members of our South Hampton K-8 family! Gentlemen, we appreciate you!

DILIGENCE
Boys & Girls, being diligent means you are a hard worker! Being a hard worker in school means completing assignments on time, putting your maximum effort into every assignment, asking for extra help when you need it, spending the time to study for tests and quizzes, and recognizing weaknesses and looking for ways to improve.
