# 2018-2020 Zoning and Feeder Pattern Revision Project:

## ***Goal:***

- Realign school zones and feeder patterns to optimize student achievement.

## ***Rationale:***

- Provide clear feeder patterns that are easily understood by all stakeholders.
- Provides direct transitions from elementary to middle/K-8 to high schools.
- Maintain social and academic stability throughout a student's tenure in our school district.
- Utilize transportation and facility resources effectively.
