STATEMENT ABOUT SCHOOL BUS INCIDENT

Birmingham, AL – (September 27, 2018) - Birmingham City Schools administration received notification of an incident that occurred on a bus carrying Oxmoor Valley students this afternoon after school dismissal. The administration launched an immediate investigation into the incident and will take appropriate action, pending investigation findings. In the interim, district administrators will be reaching out to parents of students on the bus. Birmingham City Schools considers student safety and security its highest priority, and the district is fully committed to taking the necessary steps to protect students and staff.
