Parents/guardians of students who attended a school in BCS last year will receive a separate Powerschool email for each student with an activation code and instructions for completing registration. If you do not receive an email, please contact Huffman H.S. at 231-5000 or Dr. Ford at 231-5457 to update your email address. If you have an activation snapcode, click here to get started: https://registration.powerschool.com/family/message?code=actionprivate

In preparation for registration, please take a few moments to read the BCS Student Code of Conduct and discuss the policies with your child(ren), review the registration process, gather required registration documentation and create an email if you do not have one.
Information should be uploaded every school year to complete the student’s registration.

Email the registration team at: HuffmanhighschoolQ@gmail.com or call the school for more assistance.
What if I live with my mom and the lease is in her name? If you live with someone other than a spouse, you must present a current bill in your name at that address, your ID, the owner’s ID, lease, and current bill.

We just moved here and our records are from out of town. Can I use these? Immunization forms must be from Alabama. You will have to get any out of town medical records converted. This can be done at the Jefferson County health department or a personal physician.

Can I register later? I’m tired. Students must be enrolled (registered) before they start to attend school.

How can my child get a laptop? Student laptops will be given (if the student did not receive one once he/she has registered).

Will you know if I don’t register my child? Laptops will be deactivated if student fails to register.

Do I need to make an appointment to register my student? No, registration is done online. Documents can be uploaded or emailed. Only parents who need assistance in registering their student need to come in.
ARE THERE ANY QUESTIONS?

Thanking You In Advance,
Dr. Wanda Ford
