January 21, 2021

Dear BCS Employees,

As we continue to face the challenge of increases in the number of COVID-19 cases in Birmingham and Jefferson County, the health and safety of our scholars, faculty and staff remain a very important concern.

For this reason, Birmingham City Schools will continue with remote teaching and learning throughout the month of February.

We will reassess the impact of the virus in mid-February and make an announcement regarding the steps we will take in March. In the meantime, please notify your immediate supervisor if you contract COVID-19 or if you are exposed to the virus. This information will help as we consider our path forward.

Thank you for all that you are doing to support our scholars and the mission of Birmingham City Schools. Please continue to stay safe and follow public health protocol during this time of unprecedented challenge.

Sincerely,

Mark A. Sullivan
Mark A. Sullivan, Ed.D.
