Greetings Gator Families!

I hope that you all had a wonderful and safe Thanksgiving break with your loved ones! As we enter the holiday season, I would like to remind everyone to make sure that we are all staying safe and healthy going into the New Year!

Please join me in welcoming our new Assistant Principal, Mr. Stephen Howard, to Glen Iris. I know that he will be a wonderful addition to our already amazing staff.

**Just a few reminders: per Dr. Sullivan, our Superintendent, we will be returning to remote learning beginning Monday, December 7th.** Your scholar will be expected to login to their classroom zoom Monday, Tuesday, Thursday, and Friday by 7:45 each morning. On Wednesday's the students will have asynchronous learning, the expectations and lessons will come from their classroom teacher.

Your scholar should be reading for thirty minutes every day, have them write about what they are reading and discuss it with you. Scholars should also have one text dependent question each night for homework or review. If this is not the case, please contact your child’s teacher.

Progress reports will be sent home on December 11th. If you have questions regarding your child’s grades, please make sure that you have completed the chalkable/INow on our website. If you have questions, please contact Mrs. Cornelison ccornelison@bhm.k12.al.us .

Please go to our web page and fill out our Title 1 Fall Parent Survey, QR Codes have been sent home with your student. If those are signed and returned upon completion of filling out the survey, your scholar will receive a prize. One lucky student will receive a grand prize!

Lastly, I hope that you all have a wonderful winter break and look forward to seeing all of our scholars in 2021!

Sincerely,

Tronci Southall-Mason Principal, Glen Iris Elementary

Core Value for December:

Generosity- the quality of being kind and generous

While the spring and summer of 2020 was a scary time, uncertain times, there were many people showing generosity. Among these generous acts were the way that many citizens across our nation put their sewing skills to use and sewed masks for healthcare workers and you and me to use. There were many stories of people young and old making masks to help in the effort to provide critical personal protective equipment. How can you show generosity to others this month?
