CAMP ACTIVITIES

Let’s Get Moving

Presenter: Dr. Sherri Huff, Program Specialist K-12 Health, Physical Education and Driver’s Education

The Physical Education Department will provide valuable research based information and hands on activities. Participants will learn “What should students be learning in physical education classes? How important is physical education and physical activity? How can I get my children involved in being active before, during and after school?”

Let’s learn how to get moving. Come dressed for physical activity. Let’s GET HEALTHY!!

Tentative AGENDA

Everything You Always Wanted to Know about Fine Arts but were afraid to Ask

Presenters: Dr. Debora Mayes, Coordinator Fine Arts
Mr. James Crumb, Fine Arts Consultant
Mrs. Gaybrielle Jones-Mason, Theatre Resource

The Fine Arts Department will provide opportunities for participants to get hands on experiences in selected forms of the Arts. Participants will have a chance to test their own skillset while participating in various arts related activities. The purpose of this activity is to allow participants the opportunity to explore the many benefits that the “Arts” have to offer.

Safety 101

The Child Health Department presents “Emergency Awareness & Preparedness at Home. The nursing team will discuss topics such as First Aid in the Home, How sick is too sick for school, poison control and managing concussions. Participants will participate in hands on activities.

Presenters: Mrs. Tameka Hines, RN, Nurse Coordinator
Mrs. Olympia Oliver, RN
Mrs. Veronica Walker, RN, Team Leader
Ms. Teresa Bell, RN, Team Leader
