2019 Spring F.A.C.E. Survey (Family And Community Engagement)

Greetings Parents/Guardians:

We need your perspective as we closeout the 2018-2019 school year and plan for the 2019-2020 school year. Please take a few minutes to complete this survey. We are interested in learning your thoughts and feelings about how your scholar's school provided services that supported strong families and student learning.

Please respond to all 20 statements and complete a separate survey for each school for which you have a scholar enrolled in our district.

If you have any concerns or problems completing the survey contact Mechelle Rice-Fields at 231.9821; or for an immediate response contact your scholar's school.

Thank You
