# Spotlighting our Teachers and Students:

Students in Mrs. Martin's third grade class uses jelly beans as manipulatives to complete their fraction problems. **#fractionfun**

Students in Ms. Echol's fourth grade class work on optical art (op art), a style of visual art that uses optical illusions. **#abstractart**

Students in Mrs. Smedley-Johnson's second grade class uses jelly beans to collect data for charting graphs. **#datacollecting**
