

William J. Christian School

Vision

Being a recognized leader in public education by meeting the needs of a diverse student population.

Mission

Our mission is to guide all students to achieve excellence in a safe, secure, and nurturing environment.

Beliefs

We believe:
 All students can learn.
 Success is earned through achievement.
 Students need to feel valued and safe.

Literacy Achievement

Objectives

- Increase the number of students meeting annual proficiency targets in literacy.
- Provide opportunities for educators to grow and increase their capacity to become change agents.

Critical Initiatives

- Utilize BCS District Initiatives and A-Plus College Ready materials for planning high-engagement and rigorous lessons.
- Use standards aligned formative and interim assessments to measure student progress.
- Attend and implement new knowledge learned from participating in a variety of professional development opportunities.

Math Achievement

Objectives

- Increase the number of students meeting annual proficiency targets in math.
- Provide opportunities for educators to grow and increase their capacity to become change agents.

Critical Initiatives

- Utilize BCS District Initiatives and A-Plus College Ready materials for planning high-engagement and rigorous lessons.
- Use standards aligned formative and interim assessments to measure student progress.
- Attend and implement new knowledge learned from participating in a variety of professional development opportunities.

Climate and Culture

Objectives

- Increase the number of students attending school with less than 15 absences.
- Increase faculty morale and participation in school functions.

Critical Initiatives

- Attendance support teams create and implement rewards for attendance initiatives utilizing our PBIS Framework.
- Select a certified and classified employee of the month.
- Staff members are divided into groups that will provide monthly activities and/or incentives for the entire faculty.

Critical Initiatives

- Teachers will participate in vertical team meetings throughout the year to ensure maximum coverage of standards across grade bands and to learn and grow from one another.

Critical Initiatives

- Teachers will participate in vertical team meetings throughout the year to ensure maximum coverage of standards across grade bands and to learn and grow from one another.
